

EMPLOYEE OWNED. CUSTOMER APPROVED.

## **Aero Energy Aero Service Dollars:**

Those enrolled in a Bronze 90, Silver 90, and Gold 90 service plan will earn an annual cash rebate, hereinafter referred to as "Aero Service Dollars." One Aero Service Dollar = \$1.00 U.S. currency and is only redeemable on parts and labor. Aero Service Dollars **cannot** be redeemed to cover the cost of monthly contract fees. Aero Service Dollars will can only be applied to Aero Energy service work and **cannot** be redeemed as a fuel credit. If you are a Bronze 90 contract holder you will earn 20 Aero Service Dollars at the end of each year enrolled and can accrue a maximum of 200 Aero Service Dollars in your account. If you are a Silver 90 contract holder you will earn 40 Service Aero Dollars at the end of each year enrolled and can accrue a maximum of 400 Aero Service Dollars in your account. If you are a Gold 90 contract holder you will earn 50 Aero Service Dollars at the end of each year enrolled and can accrue a maximum of 500 Aero Service Dollars in your account. Aero Service Dollars are non-transferrable between customers. If the customer cancels their service contract, any Aero Service Dollars remaining in the account will be forfeited. If the customer chooses to upgrade their plan at any point during the contract, they will still earn the quantity of Aero Service Dollars from their original plan. They will be eligible to earn the quantity of Aero Service Dollars associated with their new plan after an entire year of enrollment. If the service contract is not renewed the customer will not accrue Aero Service Dollars.
